

The first modern police department was founded by Sir Robert Peel in London, England in the year 1829.

What is the name of the City where you live?

When was its police department founded?

In an Emergency

Stay calm

Dial 9-1-1 and
tell the Operator:

- What the emergency is
- Your name
- The address where
you are
- The phone number
where you are

Don't hang up until
the operator tells you to.
